

'I recommend this adventure to everyone. It is very funny. You make Irish friends. The afternoon activities were fantastic but if I had to choose one it would be the pitch and putt. The families were great although you had them to explain how water was said in Spanish. Ireland is spectacular and a very green country. I loved it and I hope to return but with more sun'.

'The experience in Monaghan was very funny because with your friends you can visit all the cities that you want. My host family was wonderful! The best of all was the fun I had with Eve, the little girl in my family. I want to go another time. I learned a lot of English'

'When I was in Ireland I spent very good days. My favourite day was when we went to the pitch and putt, it was a fantastic experience! 'This year I went to Ireland. It was amazing! We played in the school with the Irish students.

We learnt more vocabulary in English. We visited Dublin, the cathedral and more places, that were very interesting. I stayed in a farm and I learnt how to ride a horse. It was very funny. Can I go again?'
